Work

One Summer Chicago

July - August 2018

Coding Instructor at Gage Park High School

- Introduced core concepts of Swift programming to inner-city high school students, based on Apple's Everyone Can Code curriculum.
- Guided students to design and code prototype apps that can solve real-world problems, with the opportunity to present their app ideas at Chicago's Michigan Avenue Apple Store.
- Overcame the challenge of the school-provided hardware being unable to run Apple's curriculum by designing custom lessons and assignments with my co-instructor.

Lyric Opera of Chicago

July 2016 - present

Audience Services Representative/Outbound Assistant Manager

- Assist patrons over inbound calls in a timely manner, placing ticket orders and answering questions.
- Initiate outbound calls, encouraging patrons to subscribe/donate to the Lyric.
- Approach problems from the customers' perspective, soliciting with their best interests in mind.
- Promoted to Outbound Assistant Manager in August 2018.
